Free Homeschool Reading Log

Three reading logs: one for young readers, one for older readers and one for family read-alouds.

Contents

Young reader 2

Older reader 3

Family read-aloud 4

How to use this file

1. **Young reader**: draw or colour a book for every book read, and write the title together.
2. **Older reader**: title, author, pages, dates, a rating and a one-line note.
3. **Family read-aloud**: track the books you read together and each person’s favourite part.
4. Want reading logged with attendance, hours and a year-end summary? See the Homeschool Record Keeping System.

> Undated, so you can use it in any year. Print as many copies as you need for your own family.
